

Pharmacy services

Repeat prescription collection

The pharmacy can collect your prescription from the surgery on your behalf. Each time you need a repeat prescription you'll need to tell the pharmacy, who will then collect it for you. Allow a total of 3 working days before you need your prescription. Please note that the surgery cannot automatically send prescriptions to the pharmacy on your behalf.

Emergency supply

The pharmacy may be able to arrange an emergency supply of medicines if you run out when the surgery is closed.

Delivery and blister packs

If you cannot get to the pharmacy you may be able to arrange for your medicines to be delivered direct to your home.

The pharmacy can sort your medicines into daily blister packs, to make it easier to take the right medicines at the right time.

Minor ailments scheme

Pharmacist consultations are available for a limited list of conditions.

Medicines review

The pharmacist can go through each of your medicines and explain their functions to you. They may be able to guide you about how best to take your prescription medicines.

For any of the above services, please ask at the pharmacy at Church Street, Bishop's Castle, Shropshire, SY9 5AE. Tel: 01588 638408
