

Nurse appointments

Nurse appointments may be made online or by phone (01588 630100).

You may book appointments with Isobel Sawyer, Advanced Nurse Practitioner, for recent medical issues such as coughs, asthma, ear, throat or urinary infections, breathing problems, chest pains and skin conditions. Isobel Sawyer is qualified to prescribe medication for minor medical conditions.

Other conditions such as leg ulcer treatment, ongoing care reviews, asthma, diabetes, COPD as well as smoking, travel and contraception advice can be booked with Caroline Griffin, Community Nurse.

Please book by phone for smears and ear syringing as you will need a double appointment. Please also phone if you are not sure with whom you should book.

Blood tests

Blood tests may be made online or by phone (01588 630100).

Please book with Richard Appleby, Sam Bavastock or Sarah Halliday. Blood tests are only available in the mornings to allow time for them to be sent away for analysis. Early appointments are necessary for fasting blood tests.

ECG tests

ECGs should be booked with Sam Bavastock.
